Catechism and Lesson	Discuss with students that they are going to continue learning the answer to the question What is God? God is the creator of everyone and everything. God is the creator of everyone and everything so He has special parts of himself that we do not have. Does anyone remember the	

part of Himself we learned about last week? We learned that God knows everything! (do the motion of tapping your head while you remind students of what they learned last week.

This week we are learning about how God is forever. Teach students the motion while repeating the word by moving your pointer finger in circular formation. Forever is a long time. That means he is in the past, he is right now, and he is in the future.

Don't take my word for it! Let's read in the bible to hear about how forever (do motion) God is. Let's listen to see how he is in all time at once.

Open your bible to Genesis 45:1-15 to show students where to find the story of Joseph. Read the following child friendly version.

There was a young man named Joseph who had eleven brothers. All of his brothers were older than him except one. Joseph, being one of the youngest brothers, spent a lot of time with his Father and became very special to his father. His father gave him a special coat of many colors to wear. This made his brothers very jealous. Joseph also had a dream and in his dream his brothers' bunches of grain bowed down to him. This made his brothers dislike him even more, so they sold him to a group of Egyptians. Joseph went from living with his family as his Father's favorite to living as a slave where he had to work and serve for free! In Egypt Joseph started as a slave but God helped him do everything right. He became the helper to the most important man in Egypt. While in Egypt a famine came over the land where nobody had food and all people had to come to Joseph to buy food, including his brothers who didn't recognize him! They bowed to him just like Joseph dreamed they would. After a few meetings with his brothers he could not keep it in any longer and Joseph said to his brothers, "I am Joseph! Is my father alive?" But his brothers couldn't answer him because they were

	<p>afraid. Then Joseph said, "Come here. I am your brother, the one you sold! Do not worry, and do not be angry at yourselves for selling me, because God has put me here to save people from starving." So his father, his brothers, and their families came to live in Egypt with Joseph, and they had all the food they needed.</p> <p>Joseph's life started out perfect- in a family where his father saw him as the favorite! But it became very hard in the middle! God was with Joseph when Joseph's life was easy and when Joseph's life was hard. God is never ending (do the motion) which means he is always there, forever. He was there in the easy. He was there in the hard.</p>	
Activity	<p>Joseph's coat.</p> <p>Give students the print out page of Josephs coat. Read the sentence on the bottom: God is never ending. He is with us in the good and in the bad. Let kids put a few different color stickers on the coat to make it colorful.</p>	<p>Hot Dot Stickers- various colors Joseph Coat Printable</p>
Closing and Pick Up	<p>Allow students to continue working on activities from the day or free play until parents arrive. Give a five minute timer for pickup before the end of service. This is a great time to play the spotify playlist of worship music or catechism song.</p>
